Hundred and Twentieth Annual Report

(from 01.04.2024 to 31.03.2025)

We have great pleasure in presenting before you the annual report of the Home highlighting the service activities and accounts for the year 2024-25. Intending to achieve new heights, we have completed our activities for the year 2024-25 fairly well. In Polytechnic College, Residential High School, and Primary School, the regular and practical classes were conducted smoothly with Gurumaharaj's blessings. Also, important events like Akshaya Tritiya, Deepavali, Navaratri Utsav, Sports Day and Home Day, were celebrated in a grand manner by the students and staff, old students and well-wishers. The events were also streamed live through Home's YouTube channel (<http://www.youtube.com/@RKMSHOME>) for the benefit of all.

Our Home has been doing yeomen service to the poor and destitute students in society during the last 120 years by giving shelter to these students serving as a living testimony to the clarion call given by Swami Vivekananda that "Service to poor is real service to God".

What began in 1905 as a modest effort to shelter and educate a handful of destitute boys has, over the decades grown in to a gigantic, vibrant and holistic educational centre rooted in swamiji's ideals of man making and character building education.

Apart from inculcating character-building and man-making education to the students studying in our Residential High School, Residential Polytechnic College, and Primary School, our Home also carried out vocational training, and rural development activities - conducting daily classes in Tuition Centres and periodical Medical Camps in some of the slums in Ennore and a few backward villages in Thiruvallur, and Chengalpattu Districts.

எந்த பணியும் சிறப்பாக நடைபெற வேண்டுமானால் அதில் பல நல்ல உள்ளங்களின் பங்களிப்பு இருக்க வேண்டும். நம் இல்ல பணிகளில் எப்போதுமே அத்தகைய பலர் ஈடுபட்டு அதன் பணிகள் சிறப்பாக நடைபெற உதவுகின்றனர் என்பதனை பெருமையுடன் கூறிக்கொள்ள விரும்புகிறோம்.

RAMAKRISHNA MATH AND RAMAKRISHNA MISSION

Sri Ramakrishna, whose noble name this institution bears, was born in 1836 at Kamarpukur village in West Bengal. He lived for just 50 years but during this period he became the harbinger of world peace. Being the greatest of Divine Incarnations, (Avataara varishtha – Swami Vivekananda) Sri Ramakrishna blessed us all with the 'Universal Religion' based on love and harmony and demonstrated the Ideal- Religion - “As many faiths - so many paths to reach God”. Several brilliant young men were attracted to him and became his ardent disciples. After the great master attained Mahasamadhi, his disciples led by the illustrious son of India, Swami Vivekananda, organised the Ramakrishna Math and Ramakrishna Mission with their Headquarters at Belur in Howrah Dist., West Bengal. Both the Math and Mission gradually extended their spheres of activities resulting in a number of branches coming into existence in different parts of the country and abroad. As on 31-03-2025 date there are 289 centres all over the World.

Ramakrishna Mission Students' Home – Origin and Growth

Swami Ramakrishnananda, a direct disciple of Bhagawan Sri Ramakrishna, was sent by Swami Vivekananda to the then Madras to spread the message of Sri Ramakrishna in the South. After starting the Math in Chennai, he felt the necessity for an orphanage where free boarding and lodging could be provided for orphan and destitute students. With his blessings and at his command, Sri C. Ramaswami Iyengar, an ardent devotee of Swami Ramakrishnananda, started the Home on the 17 February 1905 with 7 orphan boys in a small building in Mylapore, given free of rent by Dr. M.C.Nanjunda Rao. It was shifted afterwards from one rented building to another to accommodate more and more boys.

In 1916, Sri S.G. Srinivasachariar the then District Munsiff made a generous gift of a valuable building site of 15 grounds in Sullivan Garden in Mylapore to the Home. Later, the adjoining piece of 11 grounds was acquired. The Home was formally affiliated with the Ramakrishna Mission, Belur Math in 1918.

Thanks to the pioneering efforts of the indefatigable C. Ramaswamy Iyengar massive building was constructed on the land. Swami Brahmananda, a direct disciple and the spiritual son of Sri Ramakrishna, laid the foundation stone for this building on Buddha Poornima, 6 May 1917. Also Revered Maharaj inaugurated the new building after 4 years on Akshaya Tritiya on 10 May 1921.

Swami Brahmanandaji Maharaj stayed in the Home for nearly a month. He aptly named the new building “The Palace for the Poor” as the poor boys studying in the Home should never have the feeling that they are poor and are staying in an orphanage. The building with an impressive prayer hall and Mother Saraswathi statue in marble, intricately carved has added to the serenity and holy environment.

After Ramaswamy Iyengar died in 1932, his cousin Ramanujachariar took over as Secretary of the Home. During his stewardship, the Home grew from strength to strength. The number of boys admitted to the Home increased to 295 as on 1955.

The Home is one of the earliest educational institutions of the Ramakrishna Mission. Almost all educational institutions of the Mission in erstwhile Madras city, in their early years have grown under its fostering care.

Initially the idea was to provide free boarding and lodging for destitute and orphan boys allowing them to have their education in a nearby school. Later for a fuller realization of the Gurukula ideal, a Residential High School was started in 1922 in the Home where the Home and the school would form part of an integral entity and the teachers and pupils would live together. Plans were prepared for a separate building for the High School adjoining the Home main building. The Management approached the Government for help. The Government agreed to share more than half the cost of building. The Nattukottai Nagarathar community donated Rs.83,886/-. Therefore the school block was named “Nattukottai Nagarathar Vidyalaya” and it started functioning from 1922 within the Home campus.

The Residential High School section which was temporarily shifted to Uthiramerur in 1942 and subsequently to Athur near Chengalpattu during Second World War, was shifted back to Madras and has been functioning in the Home premises from 1958 onwards.

Workshop practice such as smithy and foundry for the School students was started and later developed into a **Residential Technical Institute** imparting training in Automobile Engineering from 1932 onwards; initially, this Licentiate in Automobile Engineering (LAE) diploma course was for five years.

As per Govt.'s directive this course was later changed as 3-year Diploma course from 1949 onwards. In 1958, Govt. of India permitted the starting of an additional diploma course in Mechanical Engineering (DME). When DME was started in 1959, as per the advice of AICTE full-time LAE course was replaced by a Post-Diploma course of 18 months duration after DME. However, this arrangement was stopped after a few years and the DME course alone was in existence. To commemorate the centenary of the Home in the year 2005, two new diploma courses were started, viz., Diploma in Automobile Engineering and Diploma in Computer Engineering so that the Home can serve more number of orphan and destitute boys. The Technical Institute was designated as a full-fledged Polytechnic College.

A non-residential Centenary Primary School was started in the year 1936 to mark the birth centenary of Sri Ramakrishna. It serves mainly the poor children of the locality. Recently English medium sections were added in addition to the existing Tamil medium sections in the school to meet the public demand for English Medium education.

Vivekananda-BPCL Skill Development Centre

In 2015, we approached Sri S.Vardarajan, Chairman & Managing Director, Bharat Petroleum Corporation Ltd, also an alumnus of Vivekananda College and a devotee of Ramakrishna Math, with a detailed Project proposal for financial assistance under their CSR (Corporate Social Responsibility) scheme for establishing a Skill Development Centre. Accordingly, the proposal was approved with a sum of Rs.15 Crore, towards the total cost of the project. The new building, Vivekananda-BPCL Skill Development Centre was inaugurated on September 1, 2019.

To bridge the gap between the Institution and the Industry in needed professional skills, the SDC trains the Polytechnic College students in the latest technologies. Thus the students can meet the expectations of the industries when they visit for campus placement. The SDC also train other polytechnic college lecturers to improve their teaching methodology and the learning process and thus help many Polytechnic College students in the state.

College section:

The Home provides free boarding and lodging facilities to deserving boys studying in various colleges in Chennai. At present 13 students studying in Vivekananda College are given admission in the College Section in the Home.

Vocational Training: To enable the unemployed youth to find suitable employment and re-skill the employed in the accounting field, Home imparts a free 4-month training in Tally Essential comprehensive course throughout the year with financial support from the HCL Foundation.

The Home thus runs 3 educational institutions, viz, a Residential High School, a Residential Polytechnic College and a non-residential Centenary Primary School, besides a College Section, Vocational Training Centre and Rural Development service unit.

About 10,250 students have benefited from the facilities provided by the Home and have come out after completing their studies. For carrying out its activities, the Home entirely depends on public donations and it hopes to continue its silent work with the help and unfailing support of its friends, well-wishers and old students. The total number of inmates in the Home this year is 581. Section-wise details are given below:

Care of the Inmates under Gurukula System of Education:

All the inmates are under the care of monastic wardens and ward masters. The teachers live in the staff quarters in the Home campus (east) and guide the activities of the students. This Gurukula system of education enables the students to excel in all round development to their character and talent.

Special emphasis is laid on character building and harmonious development of the body, mind and heart. The boys get up early and do yoga and physical exercises between 5.00 and 5.30 a.m. The Home has a gymnasium. The senior and junior boys have separate prayer halls where they perform puja and prayer with devotional songs, Vedic and Gita chanting every morning and evening.

Maintenance activities in the Home, like cleaning, washing, upkeep of the surroundings, serving of food in the dining halls, maintenance of the gardens, management of the stores, maintenance of electrical installations, computers and network maintenance, and water pumps, library management etc., are carried out by the boys themselves under the overall supervision of the wardens and teachers. This helps them to develop respect for manual work and realize the dignity of labour.

Special care is paid to the health of the inmates. Boys are given nutritious food along with milk every morning and night. The Home has medical wards to accommodate boys who fall sick. Two doctors regularly visit the Home and attend to the sick boys. Boys carry out many of the attendant/ Nursing duties in caring for the sick and in the process get training in health care. The Charitable Dispensary attached to Sri Ramakrishna Math, Mylapore and nearby hospitals are giving treatment to our boys in times of necessity. Serious cases are referred to local Government hospitals (Royapettai etc.). Home has also organized periodical general check-ups, eye check-ups, skin check-ups, dental check-ups and others for the benefit of the students.

Teaching staff supervise the study of their respective wards during study hours and provide guidance and coaching whenever necessary. Special coaching is provided for High School students every day between 3.30 and 4.30 p.m. In well-equipped laboratories and workshops at the Polytechnic College, our lecturers train the students in fundamental concepts as well as in advanced technologies in every subject. This coupled with soft skills and communication training, and life skills training (moral values education) enable our students to become more self-confident and get better jobs in the industries.

To encourage talent among the students, various competitions (including Sports and Games) are conducted and prizes distributed for the winners. Prizes for general proficiency in studies are also given during the Home Day.

The Home has well-equipped libraries separately for High School and Polytechnic College with books on various subjects for reference, suited to various age groups of the inmates. Libraries get a number of periodicals. Boys are encouraged to spend time in the libraries.

The Home receives the following newspapers and periodicals on complimentary basis: The Hindu - 2 copies; The Hindu Tamil Edition - 2 copies; Dina Thanthi - 1 copy; Dinamalar - 2 copies; We also subscribe to the students' editions of Times of India and Pattam (Dinamalar Tamil edition). **Periodicals:** The Home receives many periodicals regularly free of cost in different languages such as Tamil, English, Hindi, Telugu and Kannada. We thank all the publishers for their kind gesture.

Both the senior and junior wings have Television sets with restricted access. The boys watch news, educational, cultural, sports / games and selected programs of entertainment on Sundays.

Moral Instruction Classes: Along with the regular curriculum, our Home is imparting man making and character building education to the students as envisaged by Swami Vivekananda. Value Based moral instructions are being given through weekly discourses highlighting teachings of Sri Ramakrishna, Holy Mother Sarada Devi, Swami Vivekananda and many other saintly personalities on Fridays, Saturdays and Sundays.

(a) CNC – CMM (Coordinate Measuring Machine, Crysta-Apex V574) worth Rs.44 lakh was donated by **Mitutoyo South Asia Pvt Ltd** for Polytechnic College for training the Mechanical and Automobile Engineering students. The machine was commissioned on 07.02.2025.

Our Home gratefully acknowledges the munificence by the above donors.

C. Other Service Activities: Mobile Robotics Lab on wheels continues to train poor children in Govt. and Govt. Aided Schools, who seldom have any exposure to robotics. In order to equip them, thanks to HCL Foundation, our Home is imparting Robotics training to poor children studying in the VI Std. to XII Std., in Govt. Schools. A 21-hour training course will expose these students to the basics of robotics and the Internet of things (IOT). During the year we have trained around 1902 students in Government and Aided schools & Polytechnic Colleges and Tuition centres.

• Rural Welfare activities:

- **Tuition centres** are run by our Students' Home at Poovalambedu, Ennore 1& 2 and Madayambakkam 1&2, Perumbakkam, Aalapakkam and Thiruvudanthai. In all these centres 327 students from 1st Std., to 8th Std. are getting benefitted. These tuition centres lay the basic foundation for moulding the young children of the villages and grooming them to become responsible citizens by injecting in to them the importance of the character building.
- As usual nutritious snacks in the evenings, study materials, crackers and sweets are provided to the students in the tuition centres. Our old students are providing new clothes to them and the teachers.

Medical Camps: Rural Medical Camps and special medical camps totalling 36 were held benefiting 7059 patients during the year 2024-25. In Thathaimanji, Gnayiru, Poovalambedu villages, we also conducted special eye camps with the support of Rotary Club of Gummidipoondi and M N Eye Hospital Thandayarpettai. 12 cataract operations and vision correction were done free of cost. A Multi – Specialty Medical camp was conducted with participation of Sri Sathya Sai Hospital Medical team at Madayambakkam village on 29-03-2025. The number of beneficiaries – 136. These medical camps were conducted with the financial assistance from M/s. Five Star Business Ltd.

D. Vocational Training:

Tally Training Centre: With the financial support of HCL Foundation we have been conducting the Tally Training Courses since 2014. So far 108 batches have been conducted, benefiting around 3600

Our special appreciation and gratitude:

1. The Hindu (English Edition), The Hindu (Tamil Edition), New Indian Express, Dina Thanthi, Dinamani, Dinamalar, Mylapore times and Thuglak have been kind to publish in their esteemed dailies/ periodicals our various advertisements/ news items relating to our Home. We express our hearty thanks to all of them.
2. Our sincere thanks to Smt. Padma Ravindran, the team leader and her team of talented teachers for conducting Ramakrishna-English-Connect (REC) for our second and third year Polytechnic College students and Sarada English-Connect (SEC) for our High School students. These courses greatly improve communication & soft skills of our students.
3. Our special thanks are due to Chennai Food Bank, a project of Rajasthan Youth Association Chennai Metro Trust, for donating 12000kgs of rice in 12 months during the current year also.
4. We convey our sincere thanks to M/s. Multicraft, especially the owner Sri Sathyamurthy, an old student of this institution, for their cooperation in printing our Annual Souvenir, our Annual Report and various invitations and completing the works assigned in time.

We appeal to all our old students and friends to come forward to help us in the maintenance of Home buildings - both civil and electrical, and also in the field of sports and games items.

CONCLUSION

The Home has completed 120 years of useful service to the poorer sections of the student community. Since its inception, it has been maintained with the voluntary contributions / donations received from the philanthropic minded public, well-wishers, financial institutions and ex-students of the Home. Even today if the Home is in a position to continue its humanitarian work of helping orphan and destitute students, it is mainly because of the generous help and patronage extended to it unflinchingly by the public.

Our present performance is inspired by our past history and we shall strive to give our best with the wholehearted support from all.

Brief History of the Institution

In the early period of the history of Students' Home, it was found that students having only academic qualifications found it hard to get jobs soon after completing their studies. To help them to gain some skills, manual training was initiated as part of the High School curriculum. It comprised carpentry, weaving, etc.

To help boys who could not even complete their matriculation, workshop practices such as smithy and foundry were introduced as early as 1925. In 1930, as part of the "Silver Jubilee" celebrations of the Home, a workshop was started. Its inauguration was done on 16 Feb 1930 by the then Governor of Madras, Sir Frederic Stanley.

In 1932, the Home got permission from the Govt. of Chennai (then Madras) to start a licentiate course in Automobile Engineering. Initially, it was a five-year course. The Home students, who received this diploma, were in great demand not only in the Department of Transportation in the then Madras Presidency but all over the country. As per Govt.'s directive, this course was changed into a three-year diploma course from 1949 onwards.

In the year 1958, Govt. of India permitted to start an additional diploma course in Mechanical Engineering (DME). When this course was started in 1959, as per the advice of AICTE, the LAE course was replaced by a post-diploma course of 18 months' duration. However, the full-time LAE course was stopped during 1962-63 as per the guidelines of AICTE.

In 2005, as part of the Centenary Celebrations of the Home, it was decided to introduce two more three years Diploma Courses, viz., Diploma in Automobile Engineering (DAE) and Diploma in Computer Engineering (DCE) besides the existing DME, with the permission of the Government and AICTE as unaided courses.

Because of the starting of multiple Diploma Courses, 'The Technical Institute' was renamed 'Ramakrishna Mission Polytechnic College' in the year 2007. The sanctioned strength for each course is 40. In addition, 10% more students are allowed to be admitted by lateral entry (2nd year) from applicants with + 2 qualifications.

I. Admission:

The Maximum strength of students permissible as of date is 384. Every year 120 students in the first year and 12 students in the second year (Lateral Entry) are admitted. The orphan / destitute students are considered for admission in the Home. While admitting students to the Polytechnic College, SSLC completed students from our Residential High School are given preference.

Lateral Entry Admission in 2024-25: (a) Mechanical Engineering - 7, (b) Automobile Engineering - 10, (c) Computer Engineering - 4; Total - 21 students.

First Year Admission in 2024-25: (a) Mechanical Engineering - 39, (b) Automobile Engineering - 40, © Computer Engineering - 40; Total - 119 students.

ATTENTION PLEASE

Some of our old students, devotees and well-wishers have nominated the Students' Home as beneficiary in their Insurance Policies, Fixed Deposits, Will s etc., In a few cases, this in formation reached us after their death, resulting in legal problems. To avoid this, we request such persons to write to us well in advance enclosing a copy of the document.

OUR IMPORTANT NEEDS

Clothing

All the 700 persons in the Home are to be supplied every year with 1 set of utility uniform clothes, 1 set of hostel uniform clothes and 1 set of school/college uniform clothes, one set of sports uniform besides four sets of banians and underwear, two dhotis and two chudders.

This is a huge expenditure to be incurred every year on recurring basis. As the annual expenditure to be incurred is very high, prospective donors are requested to come forward to donate liberally towards clothing. Details of recurring expenditure on uniform clothes can be accessed from the Home.

APPEAL FOR DONATIONS

Annadanam Donations:

The Students' Home collects donations to meet the food expenses of all students. Donors donate their might on the occasion of special days like birthday, wedding day, in memory of loved ones, festivals, celebrations and others.

Endowment Donations:

Endowments are created to serve a particular purpose - like Annadanam, Vidyadanam or General Purpose Endowments. The donated money will be taken as endowment principal amount and invested in fixed deposits in banks and others. The interest accrued from the investment will be used to meet the expenses of the particular purpose for which the Endowment is created.

Donors can give a suitable name to the Endowments, normally in memory of someone nearer/dearer to the Donor. The Donor or family members and relatives can add contributions to the endowments anytime.

Vidyadanam - Educational Donations:

The Students' Home needs donations for providing free education to all the students. Giving books, notebooks, other educational aids to students, meeting school and institute laboratory and workshop expenses and related expenses need donations from well-wishers.

Capital Donations:

Donations can be given to construct buildings in the Students Home, purchase furniture, laboratory and other equipment, utensils and vehicles for the Students Home and its units - Residential High School, Residential Polytechnic College and Centenary Primary School.

General Donations:

The Students' Home requests donation contributions, sponsorships to meet the general expenses connected with providing free education, food and accommodation and all other expenses to maintain more than 670 students in the Home.

Above Sponsorships, and Donations are exempted from Tax under section 80G of Income Tax Act 1961.

Cheque/DD may be drawn in favor of 'Ramakrishna Mission Students Home'
