### **Hundred and Eighteenth Annual Report**

(from 01.04.2022 to 31.03.2023)

We have great pleasure in presenting before you the annual report of the Home highlighting our activities and accounts for the year 2022-23. With hopes, aspirations and desire to achieve new heights, we have completed our activities for the year 2022-23 fairly well. In Polytechnic College, Residential High School, and Primary School, the regular classes were conducted in a smooth manner with Gurumaharaj's blessings. The important events like the Centenary Celebrations of the Residential High School and the main building 'Palace for the Poor', Akshaya Tritiya, Navaratri Utsav, Sports Day and Home Day were celebrated in a grand manner by the students and staff, old students and well-wishers. The events were also streamed live through Home's YouTube channel for the benefit of all.

The Centenary of "**The Palace for the Poor**" and Centenary of the "**Residential High School**" were celebrated in a grand manner on 26 June 2022 with four separate sessions. The details are elaborated elsewhere.

Apart from inculcating character oriented education to the students studying in our Residential High School and Residential Polytechnic College, our Home has also carried out vocational training, and rural development activities. Conducting daily Tuition Centres and monthly Medical Camps in some of the slums in Ennore Chennai, few backward villages in Thiruvallur, and Chengalpattu Districts marked these service activities, true to our motto "Service to poor is service to God".

### **RAMAKRISHNA MATH AND RAMAKRISHNA MISSION**

Sri Ramakrishna, whose noble name this institution bears, was born in 1836 at Kamarpukur village in West Bengal. He lived for just 50 years but during this period he became the harbinger of world peace. Being the greatest of Divine Incarnations, (Avataara varishtha – Swami Vivekananda) Sri Ramakrishna blessed us all with the 'Universal Religion' based on love and harmony and demonstrated the Ideal- Religion - "As many faiths - so many paths to reach

God". Several brilliant young men were attracted to him and became his ardent disciples. After this great master attained Mahasamadhi, his disciples led by the illustrious son of India, Swami Vivekananda, organised the Ramakrishna Math and Ramakrishna Mission with their Headquarters at Belur in Howrah Dist, West Bengal. Both the Math and Mission gradually extended their spheres of activities resulting in a number of branches coming into existence in different parts of the country and abroad. As on date there are 269 centres all over the World.

### **Ramakrishna Mission Students' Home – Origin and Growth**

Swami Ramakrishnananda, a direct disciple of Bhagawan Sri Ramakrishna, was sent by Swami Vivekananda to the then Madras to spread the message of Sri Ramakrishna in the South. After starting the Math in Chennai, he felt the necessity for an orphanage where free boarding and lodging could be provided for orphan and destitute students. With his blessings and at his behest Sri C. Ramaswami Iyengar, an ardent devotee of Swami Ramakrishnananda, started the Home on the 17 February 1905 with 7 orphan boys in a small building in Mylapore, given free of rent by Dr. M.C.Nanjunda Rao. It was shifted afterwards from one rented building to another to accommodate more and more boys.

In 1916, Sri S.G. Srinivasachariar the then District Munsiff made a generous gift of a valuable building site of 15 grounds in Sullivan Garden in Mylapore to the Home. Later, the adjoining piece of 11 grounds was acquired. The Home was formally affiliated to the Ramakrishna Mission, Belur Math in 1918.

Thanks to the pioneering efforts of the indefatigable C. Ramasamy Iyengar a massive building was constructed on the lands. Swami Brahmananda, the spiritual son of Sri Ramakrishna, laid the foundation stone for this building on 6 May 1917, Buddha Poornima. Also Revered Maharaj inaugurated the new building after four years on Akshya Tritiya day on 10 May 1921.

Swami Brahmanandaji Maharaj stayed in the Home for nearly a month. He aptly named the new building "**The Palace for the Poor**" as the poor boys studying in the Home should never have the feeling that they are poor and are staying in an orphanage. The building with an impressive prayer hall and Saraswathi statue in marble, intricately carved have added to the serenity and holy environment.

After Ramaswamy Iyengar's death in 1932, his cousin Ramanujachariar took over as Secretary of the Home. During his stewardship the Home grew from strength to strength. The number of boys admitted in the Home increased to 295 as on 1955.

The Home is one of the earliest educational institutions of the Ramakrishna Mission. Almost all educational institutions of the Mission in erstwhile Madras city, in their early years have grown under its fostering care.

Initially the idea was to provide free boarding and lodging for destitute and orphan boys allowing them to have their education in a nearby school. Later for a fuller realization of the Gurukula ideal, a Residential High School was started in 1922 in the Home where the Home and the school would form part of an integral entity and the teachers and pupils would live together.

Plans were prepared for a separate building for the **High School** adjoining the Home main building. The Management approached the Government for help. The Government agreed to share more than half the cost of building. The Nattukottai Nagarathar community donated Rs.83,886/-. Therefore the school block was named “Nattukottai Nagarathar Vidyalaya” and it started functioning form 1922 within the Home campus.

The Residential High School section which was temporarily shifted to Uthiramerur in 1942 and subsequently to Athur near Chengalpattu during Second World War was shifted back to Madras and has been functioning in the Home premises from 1958 onwards.

Workshop practice such as smithy and foundry for the School students was started and later developed into a **Residential Technical Institute** imparting training in Automobile Engineering from 1932 onwards; initially this Licentiate in Automobile Engineering (LAE) diploma course was for a five- year period.

As per Govt.'s directive this course was later changed as 3 year Diploma course from 1949 onwards. In the year 1958 Govt. of India gave permission for starting additional diploma course in Mechanical Engineering (DME). When DME was started in 1959 as per the advice of AICTE, full time LAE course was replaced by Post-Diploma course of 18 months duration after DME. However this arrangement was stopped after few years and DME course alone was in existence.

To commemorate the centenary of the Home in the year 2005, two new diploma courses were started, viz., Diploma in Automobile Engineering and Diploma in Computer Engineering so that the Home can serve more number of orphan and destitute boys. The Technical Institute was designated as a full-fledged **Polytechnic College**.

In the year 2015 we were looking ahead of the future plans of our Home to build a “State of the art” infrastructure for the Polytechnic students. We had ample space near our Automobile workshop. Hence we decided to construct an infrastructure which will help our Polytechnic students to upgrade their skills and acquire “Hands-on training”. This will make them “Industry ready” before their employment and also help them to cope up with the current and future needs of the industry.

At this point of time we came into contact with Sri S.Varadarajan, Chairman & Managan Director, Bharat Petroleum Corporation, also an alumni of Vivekananda college and a devotee of Ramakrishna Math. He encouraged us to approach BPCL with a detailed Project report for establishing the Skill Development centre and a request for financial assistance under their CSR (Corporate Social Responsibility) scheme. Accordingly the Project report was submitted and Sri S.Varadarajan was instrumental in getting the approval and sanctioning the entire sum of Rs.15 Crore, towards the total cost of the project.

Our Home is indebted to BPCL for making this project a top class facility among all the other Polytechnics in Tamil Nadu.

The initial spade work for the project started in the year 2016, construction work started in July 2018, completed in August 2019 and inaugurated on September 1, 2019. The first training course for the students “ Short Term Certification Training “ was conducted in November 2019.

### **Purpose of starting the skill development centre :-**

1. To meet the emerging necessity to develop and upgrade the skills of the Polytechnic students to make them “ Industry ready” before their entry into employment as well as to compete with the growing need of the industry at large.
2. To impart every student with “ Hands-on ”skill training individually instead of engaging them in groups, by leading professionals in their respective fields.
3. To continually upgrade the competitive skill of every student.
4. To explore Out Bound Training (OBT) for final year students to inculcate leadership qualities and prepare them for their professional career, under Illumine Foundation Contributor Program conducted by Sri S.Varadarajan.

5. To bridge the gap in professional skill set between the Institution and the Industry evolving vocational type of curricula linked to prospects of employment for our Polytechnic students.
6. To enable the students to compete and meet the expectations of the industries when they visit for campus placement.
7. To train the trainers to improve the teaching methodology and the learning process.

### **College section :**

The Home provides free boarding and lodging facilities to deserving boys studying in various colleges in Chennai. At present students studying in Vivekananda College are given admission in the **College Section** in the Home.

**A non-residential Centenary Primary School** was started in the year 1936 to mark the birth centenary of Sri Ramakrishna. It serves mainly the poor children of the locality. This year the State Government has sanctioned English medium sections in addition to the existing Tamil medium sections in the school to meet the public demand for English Medium education.

**Vocational Training:** With the aim of enabling the unemployed youth to find suitable employment and re-skilling the existing employed in accounting field, our Home imparts free 4-months training in Tally Essential comprehensive course throughout the year.

The Home thus runs 3 educational institutions, which are the Residential High School, Residential Polytechnic College and a non-residential Centenary Primary School, and also a College Section, Vocational Training Centre and rural development services.

About 9900 students have been benefited by the facilities provided by the Home and have come out after completing their studies. For carrying out its activities, the Home entirely depends on public donations and it hopes to continue its

silent work with the help and unfailing support of its friends, well- wishers and old students.

The total number of inmates in the Home this year is 600. Section wise details are given below: -

### **Care of the Inmates under Gurukula System of Education:**

All the inmates are under the care of monastic wardens and ward masters. The teachers live in the staff quarters in the Home campus (east) and guide the activities of the students. This Gurukula system of education enables the students to excel in all round development to their character and talent.

Special emphasis is laid on character building and harmonious development of the body, mind and heart. The boys get up early and do yoga and physical exercises between 5.00 and 5.30 a.m. The Home has a gymnasium. The senior and junior boys have separate prayer halls where they perform puja and prayer with devotional songs, Vedic and Gita chanting every morning and evening.

Maintenance activities in the Home, like cleaning, washing, upkeep of the surroundings, serving of food in the dining halls, maintenance of the gardens, management of the stores, maintenance of electrical installations, computers and network maintenance, and water pumps, library management etc., are carried out by the boys themselves under the overall supervision of the wardens and teachers. This helps them to develop respect for manual work and realize the dignity of labour.

Special care is paid to the health of the inmates. Boys are given nutritious food along with milk every morning and night. The Home has medical wards to accommodate boys who fall sick. Two doctors regularly visit the Home and attend to the sick boys. Boys carry out many of the attendant duties in caring for the sick and in the process get training in health care. The Charitable Dispensary attached to Sri Ramakrishna Math, Mylapore and nearby hospitals are giving treatment to our boys in times of necessity. Serious cases are referred to local Government hospitals (Royapettai etc.). Home has also organized periodical general check-up, eye check-up, skin check-up, dental check-up and others for the benefit of the students.

Teaching staff supervise the study of their respective wards during study hours and provide guidance and coaching whenever necessary. Special coaching is provided for High School students everyday between 3.30 and 4.30 p.m. In well-equipped laboratories and workshops in the Polytechnic College, our lecturers train the students in fundamental concepts as well as cutting edge technologies in every subject. This coupled with soft skills and communication training, and life skills training (moral values education) enable our students to become more self-confident and get better jobs in the industries.

To encourage talent among the students, various competitions (including Sports and Games) are conducted and prizes for the winners and general proficiency are given during the Home Day.

The Home has well-equipped libraries separately for High School and Polytechnic College with books on various subjects for reference, suited to various age groups of the inmates. Libraries get a number of periodicals. Boys are encouraged to spend time in the libraries.

The Home receives the following newspapers and periodicals on complimentary basis: The Hindu - 2 copies; The Hindu Tamil Edition - 2copies; Dina Thanthi-Icopy; Dinamalar-2copies; We also subscribe to the students' editions of Times of India and Pattam (Dinamalar Tamil edition). Periodicals: The Home receives many periodicals regularly free of cost in different languages such as Tamil, English, Hindi, Telugu and Kannada. We thank all the publishers for their kind gesture.

Both the senior and junior wings have Television sets with restricted access. The boys watch news, educational, cultural, sports / games and selected programs of entertainment on Sundays.

**Moral Instruction Classes:** Along with the regular curriculum, our Home is imparting man making and character building education to the students as envisaged by Swami Vivekananda. Value Based moral instructions are being given through weekly discourses highlighting teachings of Sri Ramakrishna, Holy Mother Sarada Devi, Swami Vivekananda and many other saintly personalities on Fridays, Saturdays and Sundays.

## CONCLUSION

The Home has completed **118 years** of useful service to the poorer sections of the student community. Since its inception, it has been maintained with the voluntary contributions / donations received from the philanthropic minded public, well-wishers, financial institutions and ex-students of the Home. Even today if the Home is in a position to continue its humanitarian work of helping orphan and destitute students, it is mainly because of the generous help and patronage extended to it unflinchingly by the public.

Our present performance is inspired by our past history and we shall strive to give our best with the wholehearted support from all.

### HOME SUB UNITS:

#### (A) RAMAKRISHNA MISSION POLYTECHNIC COLLEGE (Residential)

Telephone: 044-24992537; Email: principaloffice@rkmsHOME.org

#### **Brief History of the Institution**

In the early period of history of Students' Home, it was found that students who are average in the studies found it hard to get jobs having only academic qualification. To help them to gain some skills, manual training was initiated as part of the High School curriculum. It comprised carpentry, weaving etc.

To help boys who could not even complete their matriculation, workshop practices such as smithy and foundry were introduced as early as 1925. In 1930, as part of the "Silver Jubilee" celebrations of the Home, a workshop was started. Its inauguration was done by the then Governor of Madras, Sir Frederic Stanley.

In 1932, we got permission from the Govt. of Chennai (then Madras) and started a licentiate course in Automobile Engineering. Initially, it was a five-year course. The Home students who received this diploma were in great demand not only in the Department of Transportation in the then Madras Presidency but at all over the country. As per Govt.'s directive, this course was changed in to a three-year diploma course from 1949 onwards.

In the year 1958, Govt. of India permitted starting of an additional diploma course in Mechanical Engineering. When this course (DME) was started in 1959 as per the advice of AICTE, the LAE course was replaced by a post-diploma course of 18 months' duration. However, the full-time LAE course was stopped in 1962-63 as per the guidelines of AICTE.

In 2005, as part of the centenary celebrations of the Home, it was decided to introduce two more 3 years diploma courses, viz., DAE (Diploma in Automobile Engineering) and DCE (Diploma in Computer Engineering) besides the existing DME, with the permission of the Government and AICTE.

The Government permitted DAE & DCE courses as unaided courses on Self-Financing basics. The sanctioned strength for each course is 40. In addition, 10% more students are allowed to be admitted by lateral entry (2nd year) from applicants with + 2 qualifications.

Because of the starting of multiple diploma courses, ‘The Technical Institute’ was renamed as ‘Ramakrishna Mission Polytechnic College’ in the year 2007.

### **Admission:**

The Maximum strength of students permissible as of date is 384. Every year 120 students in the first year and 12 students in the second year (Lateral Entry) are admitted. While admitting students to the Polytechnic College, students from our Residential High School who completed the SSLC examinations are given preference. Orphan / destitute students from other institutions are also given admission in the Home and the Polytechnic College.

Admissions in 2022-23: Lateral Entry: DME - 9, DAE - 4, DCE - 11; Total - 24 students.

First Year: DME - 39, DAE - 37, DCE - 39; Total - 115 students.

The Governing Council that was constituted to exercise supervisory control over the affairs of the Polytechnic College, has the following members:

**B) RAMAKRISHNA MISSION RESIDENTIAL HIGH SCHOOL,  
CHENNAI - 600 004.**

Telephone: 044- 2499 0264; email: [highschool@rkmshome.org](mailto:highschool@rkmshome.org)

The High School was started in the year 1922 and initially housed in Nattukkottai Nagarathar Building (now in Vivekananda College campus). In 1942 during world war time, the High School was shifted to Uthiramerur in Kanchipuram district and later to Athur near Chengalpattu. It was shifted back to the Home premises in 1958.

The High School section has five classes from VI Std to X Std, the medium of instruction is Tamil and recognized by the State Education Department.

At present there are four Teaching staff including Headmaster, one non-teaching staff under govt. grant-in-aid category while eight teaching staff and one non- teaching staff are under self-supporting category under management cadre.

During 2022-23 academic year, 48 students appeared for SSLC Board exams. Master M.Divakar has scored 471 out of 500. Out of 48 students 21 students have obtained 1st class, 16 students have obtained 2nd class and the remaining 07 students have obtained 3rd class.

Admission and Strength: Admissions are made in the VI standard on the basis of poverty cum merit. As soon as applications are received from the applicants, physical verification at their native places is done by the teachers regarding genuineness of the applicant's socio-economic status and the committee headed by the Secretary Swamiji finalizes the admission.

During this year, 47 students were admitted in 6th Std, 3 students in 7th Std and 4 students in 8th Std. The total Students strength is 244 (6th Std - 47, 7th Std - 50, 8th Std -46, 9th Std – 52 and 10th Std-49). Break-up: OC – 1, BC – 115, MBC – 73, DNC – 6, SC-41, SCA-2, ST –6

For students with Dyslexia, special classes are being organized in the Home through a special teacher. 11 students from 7th standards are given special training.

Smart Class Rooms: All our class rooms are equipped with smart boards, ultra-short through projectors, PCs with broadband internet connections so that the students' learning is made interesting and beneficial because of creative teaching methods.

Computer Laboratory: Students trained in the well-equipped laboratory (25 PCs and 30 Tablet PCs with UPS power supply) during Saturday, Sundays & their computer lab periods. Here students are additionally trained in basics of the computer, word, excel, browsing, drawing, using emails etc.

Mathematics Laboratory: To get easy understanding of the concepts of mathematics, students are given training in the lab. Models and Modules available in the lab help the students to practically explore and understand the mathematical concepts.

Science Park: To practically understand the concepts of science, various science modules have been setup in the school campus. Students can explore and understand the concepts on their own. Children coming from other schools are also benefitted by seeing these modules.

Library: A library with thousands of books provide students an opportunity to explore in all fields, develop their general knowledge apart from their subjects.

Sarada-English-Connect: We conduct communication and spoken English classes to all our students which was commenced from August 2022. Students are divided into 25 each per class and the classes are conducted by experts. The classes were held every Monday to Friday from 03:30-04:30 PM and Saturday classes from 9:30-10:30 AM.

### (C) SRI RAMAKRISHNA CENTENARY PRIMARY SCHOOL

**Telephone: 044-24984746; Email: cpschool@rkmhome.org;  
sriramakrishnacentenaryprimary@gmail.com**

Sri Ramakrishna Centenary Primary School was established in the year 1936 (The Birth Centenary Year of Bhagavan Sri Ramakrishna), to meet the educational needs of the poor children in and around Mylapore. It has classes from I to V standard. Children (23 Boys and 11 Girls – Total: 34) are studying at present.

The initial strength of this primary school with Tamil medium, was more than 200 in 1st Standard to 5th Standard in the past decades. As more English medium schools had started coming in and around Mylapore area, the strength of our Tamil Medium school fell considerably.

As the State Government has sanctioned English medium sections in addition to the existing Tamil medium sections during the year 2022-23, it is hoped that the strength of the school will pick-up in coming years.

At present four teachers are working including a Headmistress. Children are provided with free Noon meal under the Govt. Noon Meal Scheme. The Home gives biscuits and milk in the morning and Vegetables (Poriyal or Koottu) during lunch to all children. No-Cost Text Books, Note-Books, School Bags, Foot-wear, Colour Pencils and Crayons, etc. are given to students from the Tamil Nadu Government Scheme. In addition, **Two Uniform** sets were distributed to all students which were provided by our management.

**Important Activities:** As per the Chennai, CEO's order No: 6126/C/2022, dated 16.09.2022, we have received approval for additional English Medium sections for I – V standard from this academic year.

Teachers Smt. N. Suriyakala, and Smt. C. Srividhya, were deputed to conduct "Remedial Teaching for slow learners" at Jayagopal Garodia Higher Secondary School, Virugambakkam and Govt Higher Secondary School, Velachery respectively. They were relieved on 21.08.2022 and joined at their deputed schools on 22.08.2022.

Smt. K. Rama, HM,,and Smt. N. Suriyakala, Teacher, participated in Essay Writing Competition conducted by our Home in connection with "Chicago Day". Smt. N. Suriyakala got 3rd Prize and both teachers received appreciation. All our teachers participated in "Ennum Ezhuthum Training" conducted by our Education Department.

All the Students were promoted to the higher classes in the Academic Year 2021 – 2022. The First Term Exams were conducted from 26.09.2022 to 30.09.2022. Term Holiday was declared from 01.10.2022 to 12.10.2022. II Term Examinations were conducted to all classes from 19.12.2022 to 23.12.2022 and Holidays were declared from 24.12.2022 to 04.01.2023. The school was reopened on 05.01.2023. III Term books and Note Books were distributed to all students.

On 10.02.2023, Zone X Health Department provided Deworming Tablets for all students. The tablets were distributed through parents with proper instructions.

**‘Kalvi Valarchi Naal’, ‘Independence Day’, ‘Children’s Day’, Republic Day’** were celebrated with Cultural Programs of our students.

We displayed Golu with the theme “Festivals” in the Navarathri Function of our Home. **‘Sri Ramakrishnanandaji Jayanthi’, ‘Annai Sarada Devi Jayanthi’, ‘Swami Vivekananda Jayanthi’** were celebrated with Cultural Programmes. On **Home Day**, 12.02.2023, our students performed **“Kolattam Dance on Lord Krishna”** as Welcome Dance.

On 21.02.2023, **“The 188th Sri Ramakrishna Jayanthi and The 87th School Annual Day”** was celebrated. Sri P. Mahendran, General Manager, Punjab National Bank, presided over the function and distributed the Prizes to the winners of Academic and Sports events. “Ganapathi Dance” and “I Love my School – Dance” were performed by 1st, 2nd and 3rd std students. “Odi Vilayadu Paappa – Dance” was performed by 4th and 5th std students. “Choir Songs – Oli Padathta Kanninai vaa vaa vaa and Golden Words were sung by all students. A small Drama was presented by 5th std students on “Sri Ramakrishnar Teachings.”

**The school conveys its deep sense of Gratitude to all the Donors, Well-wishers and Old students for their valuable contributions.**

#### **(D) Vocational Training Center**

**Tally Training Center:** Our Home has organized free Tally Essential comprehensive courses on Tally Prime platform for nearly 84 batches benefitting more than 2824 students till the end of this year. Due to increasing demand, we have one online and three offline classes per day and more students are undergoing the above training. We are extremely thankful to

HCL Foundation for fully financing this Tally Course and Sri Sivakumar, noted Chartered Accountant, Karra & Co, and honorary course director for all the initiative they have extended so far.

**RAMAKRISHNA MISSION STUDENTS' HOME**  
Mylapore, Chennai - 600 004

**OBJECTIVES**

1. To provide a Home for deserving orphan and destitute boys giving them free boarding and lodging.
2. To educate them under the Gurukula system where the Educational Institutions and the Home are blended together and where the teachers and pupils live together and work in close and harmonious relationship.
3. To make them live a life of Brahmacharya, train their character and inspire them with high ideals of Self Sacrifice and Service; and
4. To do everything conducive to the achievement of the above objectives.

## நூறு இளைஞர்கள்

அறிவாற்றலும், தூய்மையும் கொண்ட  
ஒரு நூறு இளைஞர்கள் முன்வாருங்கள்!  
நாம் இந்த உலகத்தையே மாற்றி  
அமைக்கலாம்!

கீழ்த்தரமான தந்திரங்களால்,  
இந்த உலகில்  
மகத்தான காரியம் எதையும்  
சாதித்துவிட முடியாது!  
இது என் உறுதியான நம்பிக்கை.

-சுவாமி விவேகானந்தர்

## இதுதான் வெற்றிக்கு வழி!

நீ ஒரு கருத்தை எடுத்துக்கொள்! அந்த ஒரு  
கருத்தையே உன் வாழ்க்கைமயமாக்கு!

அதையே கனவு காண்! அந்த ஒரு கருத்தை  
ஒட்டியே நீ வாழ்ந்து வா!

உன் மூளை, தசைகள், நரம்புகள்,  
உடலின் ஒவ்வொரு பகுதியிலும் அந்த ஒரு  
கருத்தே நிறைந்திருக்கட்டும்! அந்த

நிலையில் மற்ற எல்லாக் கருத்துக்களையும்  
தவிர்த்துவிடு! இதுதான் வெற்றிக்கு வழி!

## **APPEAL FOR DONATIONS**

### **Annadanam Donations:**

The Students' Home collects donations to meet the food expenses of all students. Donors donate their might on the occasion of special days like birthday, wedding day, in memory of loved ones, festivals, celebrations and others.

### **Endowment Donations:**

Endowments are created to serve a particular purpose – like Annadanam, Vidyadanam or General Purpose Endowments. The donated money will be taken as endowment principal amount and invested in fixed deposits in banks and others. The interest accrued from the investment will be used to meet the expenses of the particular purpose for which the Endowment is created.

Donors can give a suitable name to the Endowments, normally in memory of someone nearer/dearer to the Donor. The Donor or family members and relatives can add contributions to the endowments anytime.

### **Vidyadanam – Educational Donations:**

The Students' Home needs donations for providing free education to all the students. Giving books, notebooks, other educational aids to students, meeting school and institute laboratory and workshop expenses and related expenses need donations from well-wishers.

### **Capital Donations:**

Donations can be given to construct buildings in the Students Home, purchase furniture, laboratory and other equipment, utensils and vehicles for the Students Home and its units - Residential High School, Residential Polytechnic College and Centenary Primary School.

### **General Donations:**

The Students' Home requests donation contributions, sponsorships to meet the general expenses connected with providing free education, food and accommodation and all other expenses to maintain more than 670 students in the Home.

### **Above Sponsorships, and Donations are exempted from Tax under section 80G of Income Tax Act 1961.**

Cheque/DD may be drawn in favor of 'Ramakrishna Mission Students Home'

### **Online donations: Net Banking/RTGS/NEFT/Card Swiping:**
